

Thank you for coming to my party!

You will need:

147g margarine or unsalted butter or dairy-free spread

1. Preheat oven to 180 degrees
2. Add jar contents to a large mixing bowl and add 147g of margarine
3. Rub mixture together until it resembles breadcrumbs
4. Bring all mixture together into a ball and make sure all the mixture is combined
5. If it's a bit dry add a dash of milk
6. Roll out mixture to about 5mm thick and cut into shapes
7. Add to a greased baking tray and bake for 15mins or until golden brown.
